Product Description:

Thin, small skirting that is the perfect match for your Alpha Vinyl or Vinyl Flex floor, in colour, structure and gloss!

- **100% matching** with your floor
- **Extra wear-resistant** vinyl top layer
- Quality MDF core
- **Easy installation** with the Quick-Step One4All Glue on the wall
- The **warranty** on your Quick-Step floor is also valid for your Quick-Step skirtings

Installation:

1. Installation against the wall

✓ **Using the Quick-Step® ONE4ALL Glue**

This multi-functional adhesive is specially designed for the installation of Quick-Step® accessories on the wall. Please do not use this on a floating vinyl floor covering.

✓ **Watertight finish**

Use the Hydrostrip (NEHSTRIPSCOT15) to finish of your floor in a watertight manner, together with the PE foam (NEVRFOAMSTRIP15) and the Quick-Step Hydrokit.
